~~OR~~

As Government are aware, I have been arranging to give training to about 40 ex-servicemen in Physical Training Instructors' Course every year in the Y.M.C.A. College of ~~Physe~~ Physical Education, Saidapet, Madras. The first and second short courses of training conducted in the years 1949 and 1950 were approved in the G.Os cited above.

2. I have been receiving representations from a number of ex-servicemen to conduct another course of training. Most of the ex-servicemen trained in the first and second courses have been settled in life. The Principal, Y.M.C.A. College, who has been asked to gather statistics of employment of these men, has informed me that 26 out of 40 men trained in the last batch have been provided with employment and that particulars regarding the remaining men are being gathered by him. He is however sure that all the remaining 14 men also should have secured employment. I approached the Honorary Secretary to the Committee for the Post War Services Reconstruction Fund to accord permission for conducting the third short course of training in anticipation of sanction of funds. In his letter No.632/51dated 21-2-51, the Honorary Secretary has informed me that I may proceed with the arrangements for the third course. Copies of my letter and the reply of the Honorary Secretary to the Post War Services Reconstruction Fund Committee are enclosed.

3. Third course will be conducted on the same terms and conditions as those of the first and second courses. The Selection of candidates will, as before, be made by a committee ~~consist~~ consisting of my Joint Registrar(Resettlement) and the Chief Inspector for Physical Education and the Principal Y.M.C.A. College of Physical Education ~~and the Principal~~ Saidapet, Madras. The course is proposed to be conducted for a period of three months from about 19-3-1951. As the time is short I am calling for applications from qualified ex-servicemen by advertisement in leading newspapers. The last date of receipt of application is fixed as 10-3-1951.

4. In the circumstances stated above, I request that Government may be pleased to accord their approval for ~~Functing~~ conducting the third short course in Physical Education for a period of 3 months at the Y.M.C.A. College of Physical Education. I am making arrangements for starting the course in anticipation of approval of Government.

Copy of the letter No.R.C.21012/50-A2 dated 19-2-51 addressed to the Honorary Secretary to the Committee for the administration of the post War Services Reconstruction Fund, Government House, Guindy, Madras.

Sub:- Post War Reconstruction - Resettlement of Ex.servicemen in civil life - Third short course of training of ex-servicemen in Physical Training Instructors' Course.

As you know, the first and second short courses of training of ex-servicemen in Physical Training Instructors' course were conducted by the Y.M.C.A. College of Phycial Education, Saidapet, Madras, and the cost of the courses was met from the funds sanctioned by the Committee for the administration of the Post War Services Reconstruction Fund. In his letter dated 8-2-1951 copy enclosed -- the Principal, Y.M.C.A. College requested me to take immediate steps for conducting a third course of training for a period of three months from 12-3-51. As the time is too short, I consulted him whether it would be possible to have the course in the middle of April or May 1951 so that necessary sanction for funds may be obtained. The Principal has written to me that it will not be possible for him to have the course in the middle of April ror May 1951 and has requested me to take immediate arrangements for conducting the course from 19-3-1951 Copies of my letter No.21012/50-A2 dated 12-2-51 to the Principal and his reply dated 14-2-51 are enclosed. It looks as if no course can be arranged at all at any time other than the period suggested by the Principal.

2. I have been receiving representations from a large no. of ex-servicemen to conduct another course of training. The ex-servicemen trained in the course are easily settled in life. Further the Principal, Y.M.C.A. College, has informed me that 26 out of 40 ex-serficemen, candidates trained in the last batch, have been provided with employment and that the particulars regarding the remaining men are being gathered by him. He is of the view that all these men should have secured employment. I, therefore, consider that it is desirable to conduct another course. This short course will have to be conducted on the same terms and conditions as those of the first and second courses. The cost of the course, viz., Rs.15,300/- is to be met by grants from the Post War Services Reconstruction Fund Committee as before. A copy of terms and conditions and a Statement giving an estimate of expenditure are enclosed.

3. I therefore, request you to be so good as to let me know whether I may proceed with the arrangements for the third course of training in anticipation of sanction of funds by the Committee for the administration of the Post War Services Reconstruction Fund. I shall be grateful for an early reply as immediate arrangements for the invitation of applications and selection of candidates etc., have to be made.
